Description

A stunning, large hosta featuring broad, smooth, heart shaped leaves of bright golden yellow; provides beautiful texture and contrast to other plants especially in the shade. Tall 40" spikes of very faint lavender and white flowers bloom in midsummer. The flowers bloom above foliage in late summer, attracting hummingbirds. This premium hosta variety is part of a group of the finest hostas for patio containers, formal gardens or in woodland shade.s available today. Rounded leaves develop light corrugation and gently rippled margins with maturity.
