Other Exceptionally hardy; growing and flowering well in zone 3; large flowers age to red early in the summer for a colorful display.

Description

Bobo is an easy-to-grow, reliable panicle hydrangea with huge, full flower heads and sturdy, strong stems. Blooms emerge creamy-white and age to pink for lots of summer color. It makes a great cut flower, fresh or dried, and can be used as a hedge, specimen, or incorporated into flower gardens and foundation plantings. Can be grown in containers. Blooms on new wood.
