

Volunteer with the Friends of Brookside Gardens

Thank you for being a Friend of Brookside Gardens (FOBG). We hold fundraising events throughout the year to benefit Brookside Gardens.

You have probably enjoyed attending one or more of our popular events: Plant Sale, Silent Auction, and the Orchid Show & Sale. This May, for the first time, FOBG and the National Philharmonic will co-host a garden party concert at Brookside Gardens: *Trio on the Terrace*.

We rely on FOBG volunteers to organize and staff these events.

We also support a range of wonderful activities organized by Brookside Gardens, such as Green Matters, Earth Day, Children's Day, Summer Twilight Concert Series, Shakespeare in the Garden, Spring and Fall lecture series, seasonal plantings, and horticultural internships.

With a few hours of volunteer time, you can meet new Friends, support Brookside Gardens, and make a difference in our community.

We look forward to hearing from you.
